

FIRST ANNUAL BEACH HAVEN Heritage Day

Dear Beach Haven Business Owners,

Your business is invited to participate in our 1st Annual Heritage Day on Saturday, May 18, 2024 celebrating our 150 year history! Our goal is to draw people to town to learn and celebrate the rich history of our haven. We will be hosting a house tour of some of the oldest homes complete with videos featuring artifacts and historic photos. The day will begin at the LBI Historical Museum and then invite people to tour these homes from Third Street to Coral Street, and visit the NJ Maritime Museum on Dock Road and the Beach Haven Library

Colonial Theatre, Beach Haven, N. J.

We are hoping that you will join us in our celebration by featuring old photos of your business or building on a display during the day. This will encourage tourists to walk through town and learn about your part in our rich history. The display can be frames, foam board, include a written history ~ anything you choose.

We hope that this event will grow each year as we add new houses to the tour. The two original homes are turning 150 years old this year and we are grateful to have so much history to celebrate. If you have any questions or would like more information on how to participate see attached sheet. Thank you!
